New Dahlias

The Best in Modern Dahlias

STANLEY JOHNSON

Pennypack Gardens

CHELTENHAM, PA.

Foreword

It is the aim of Pennypack Gardens to introduce good dahlias that will grow for you so as to brighten your garden or produce show winners. While much emphasis is placed on creative work of developing superior strains of new dahlias, most responsibility is given to the maintaining of sound foundation stock.

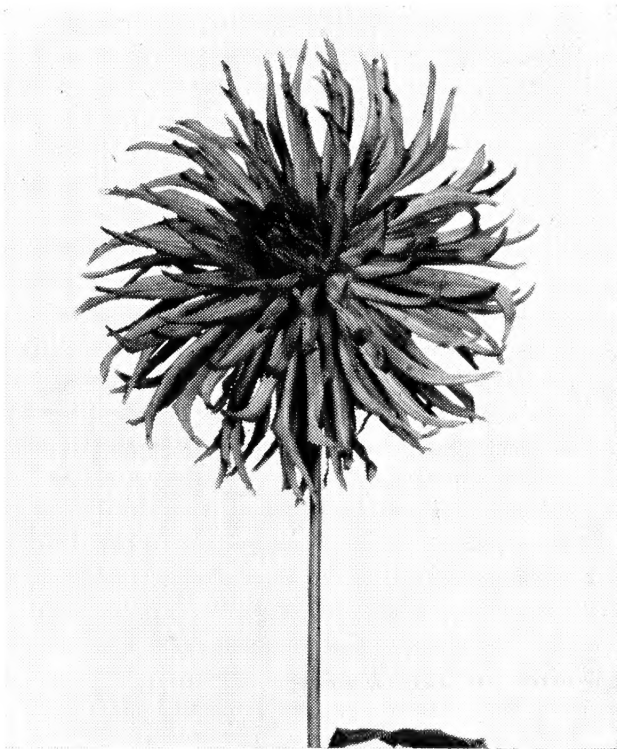

Pennypack dahlias were highly honored in 1948 and received much praise in Honor Rolls. Won two American Home Achievement Medals, best bloom of the entire show, largest and most nearly perfect bloom, two other medals for outstanding value, gold medal certificate, and many other first prizes in open competition.

Winnings for 1948 are surely impressive, but the final success is your satisfaction. A program involving testing both in the field and exhibition gardens, has been carefully conducted. Any dahlia failing to grow properly under ordinary field conditions, does not bear the Pennypack label.
